

Graphic Design Intern

Project Medishare for Haiti is nonprofit organization that empowers Haitians to provide and receive access to quality health care and related services. For more than 20 years, our team of doctors, nurses, community health workers and volunteers has cared for thousands of children and adults. Last year alone, more than 70,000 people benefitted from the comprehensive health services and medical training we provide.

We are looking for an enthusiastic, creative graphic design intern to create compelling designs that help tell our story. This is a great opportunity to build your portfolio and enhance your design skills, while making a positive impact in the lives of Haitian families.

Responsibilities:

- Creative Direction – Provide design, layout and production support of donor and fundraising communication materials, such as infographics, brochures, e-mail marketing, presentations, and e-cards.
- Website Design and Maintenance – Assist in the maintenance of Project Medishare’s web site. Edit and upload website content.
- Analysis – Review and analyze website and other key metrics, including tracking web analytics and other key metrics.

Qualifications:

- Prior experience creating graphics and a solid grasp of design concepts
- Proficiency in Wordpress, Microsoft Office and Adobe Creative Suite
- Strong attention to detail and ability to multi-task
- Interest in international development and Project Medishare’s mission

To Apply:

Please submit a cover letter, resume, and samples of your work to info@projectmedishare.org.
